YOU ARE INVITED TO JOIN THE THIRD OF A SERIES OF GUIDED CONVERSATIONS ABOUT WHAT IT WILL TAKE TO END HOMELESSNESS IN SANTA CRUZ COUNTY.

This conversation will be **courageous, safe, focused on what we can do now, and will create a reasonable plan that we can all get behind.**

During this discussion, we will be narrowing our focus to a handful of strategies.

People who are homeless, who have experienced homelessness, who work with people who are homeless, who care about this issue, and the general public are all invited.

This conversation will be guided by data. However, we are mindful of the fact that it can be challenging to get quality data when it comes to homelessness, and that we will not have all the data we need.

****There will be a safe place for folks to store their belongings during the meeting.***
